Cleaning instructions

- Treat stains immediately
- Remove any surface residues such as food remains using a soft brush or cloth
- Moisten any dried stains well with approx. 30°C warm water and apply a few drops of washing-up liquid to the stained areas
- After soaking for a short time, brush or rub the upholstered surface vigorously. Repeat this process two or three times if necessary
- After this, rinse the upholstery with lukewarm water and rub it dry with a cotton cloth
